REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the applicants amended the claims to obviate the rejection made under 35 USC 112(1) made in the previous Office action. No more relevant prior art was found. The examiner's position is that the prior art taken alone or in combination fails to teach or fairly suggest the suction nozzle, the supply nozzle and the substrate holder as claimed together with all other limitations of the claimed apparatus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Markoff whose telephone number is 571-272-1304. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Barr can be reached on 571-272-1414. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
